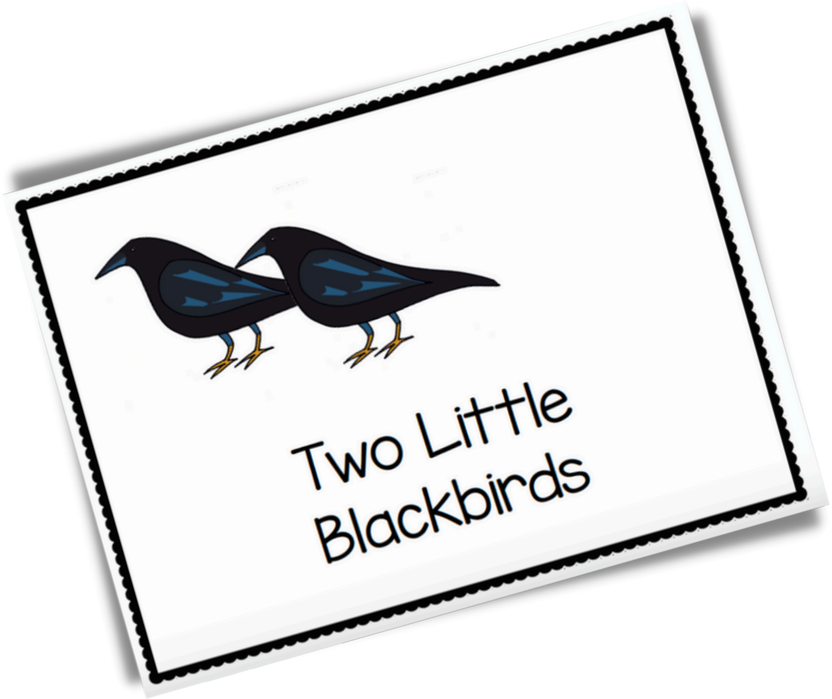
Students gain independence and skill with musical concepts, as they practice individually or in small groups at centers

Practice musical concepts

At one of the centers, the teacher can assess students individually, to gather data and inform instruction

Easily assess students



- Print out materials for each center
- Put centers and other materials (like scissors and glue sticks) around room
- Explain how to use the centers
- Have students rotate to each center

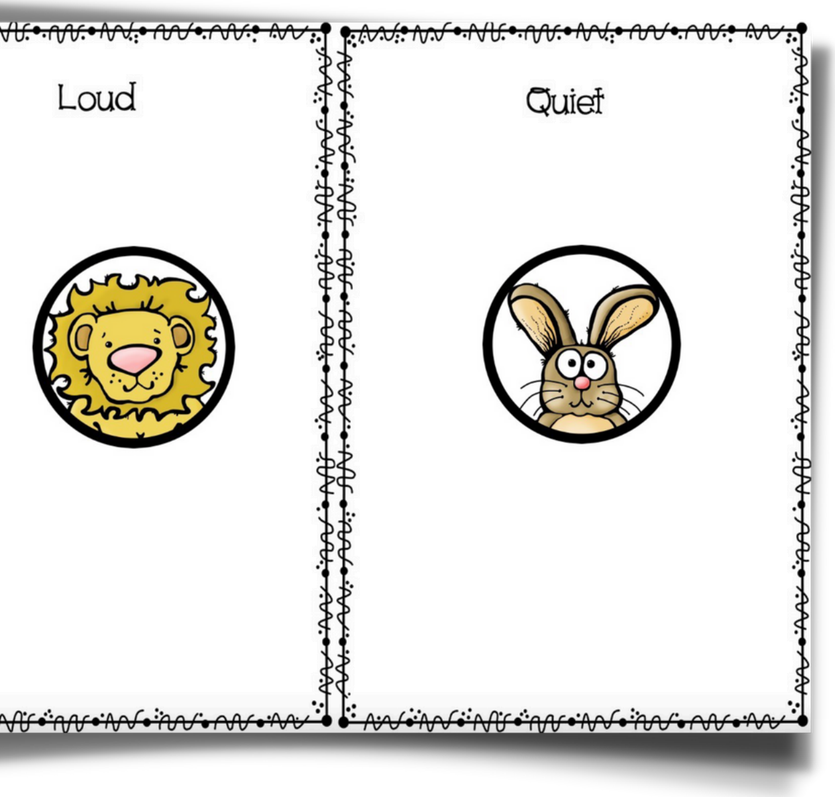
How to use

“This set is easy to use and the directions are clear. It is a great resource!”

“Easy to prep and use for reinforcing loud and quiet!”

“I used this for a kindergarten center while I was out for a conference. The students and sub loved it!”

What other teachers are saying...



This bundle is aligned with the NCAS standards:

- With guidance, demonstrate awareness of expressive qualities (such as voice quality, dynamics, and tempo) that support the creators' expressive intent.
- With guidance, explore and demonstrate awareness of music contrasts (such as high/low, loud/soft, same/different) in a variety of music selected for performance.
