HOW TO USE

HOW LONG DO THE CENTERS TAKE?

You can use each concept set in one lesson, or spread them out over more than one lesson, depending on how long your lessons are.

DOES THIS SET REQUIRE A LOT OF SET-UP?

I created this set to help make centers preparation easy! Simply decide which centers to use, print them out, print the signs and directions out, and you are ready to go!

FREQUENTLY ASKED QUESTIONS

"I am SO excited for these centers sets!!! Your sets have given me great ideas and a GREAT starting point! Thank you!!"

"Thank you for providing this comprehensive resource. The directions are easy to follow and the students enjoyed the activities."

"SO MUCH great stuff here! It can be used for centers or simple group activities with your class. Some of it can even be used with the older grade levels as a review, or introduction to stations."
