

Kindergarten Music Centers: Beat & Rhythm

Take a
peek!

KINDERGARTEN *Music Centers*

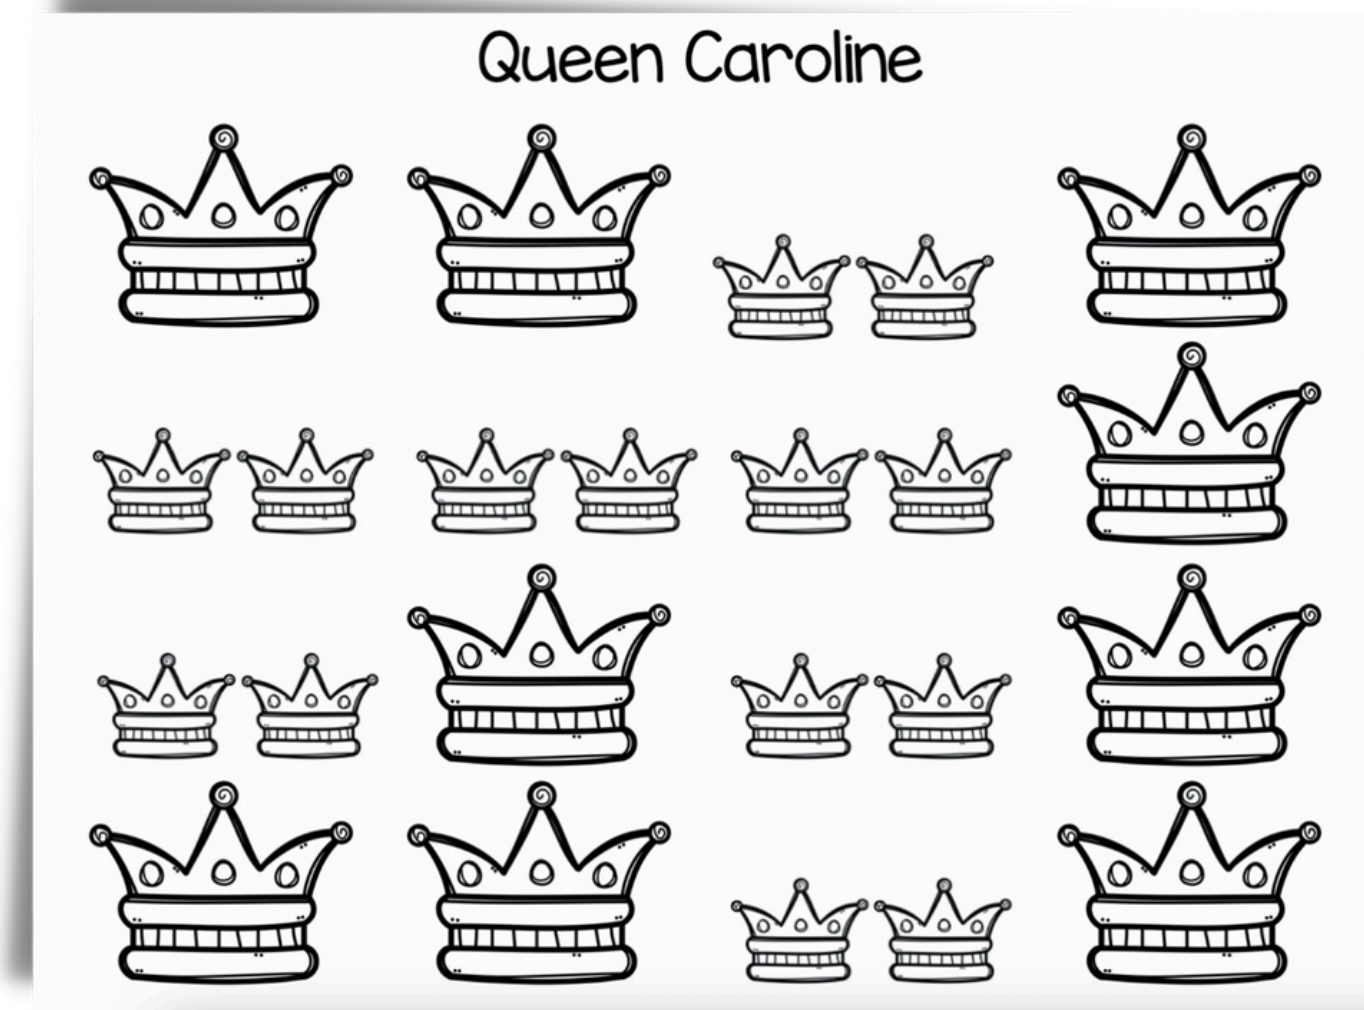

Beat and
Rhythm

Ready-made
materials

- ★ Worksheet center
- ★ Coloring center
- ★ Sorting center
- ★ Instrument center
- ★ Assessment center
- ★ Card center
- ★ Directions and Signs

To help students understand
the difference between beat
and rhythm!

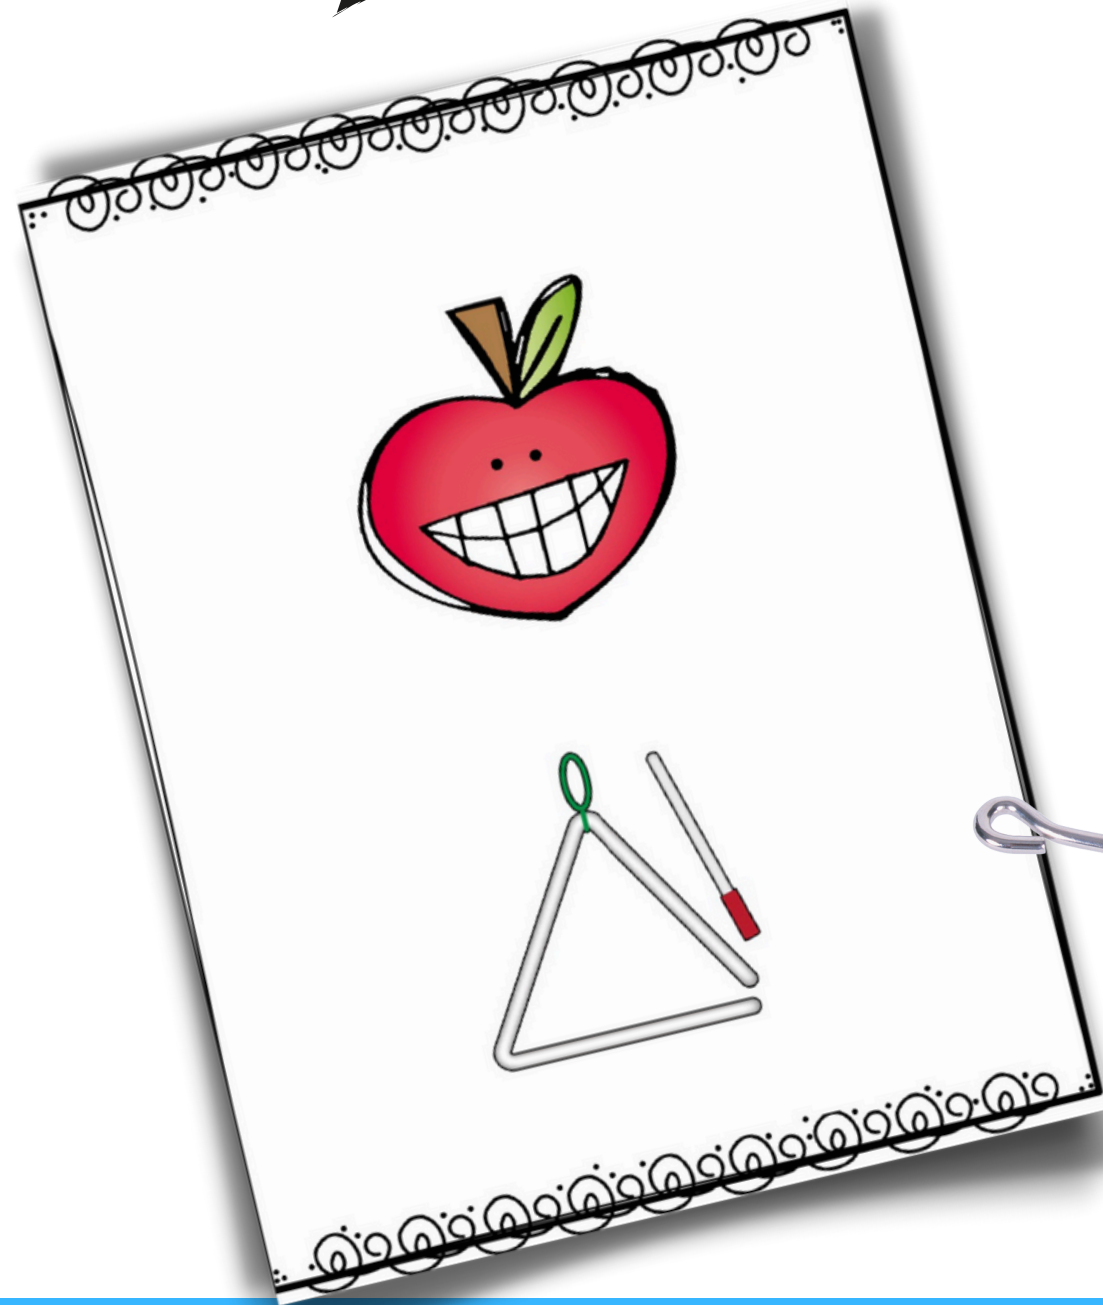

What's included?

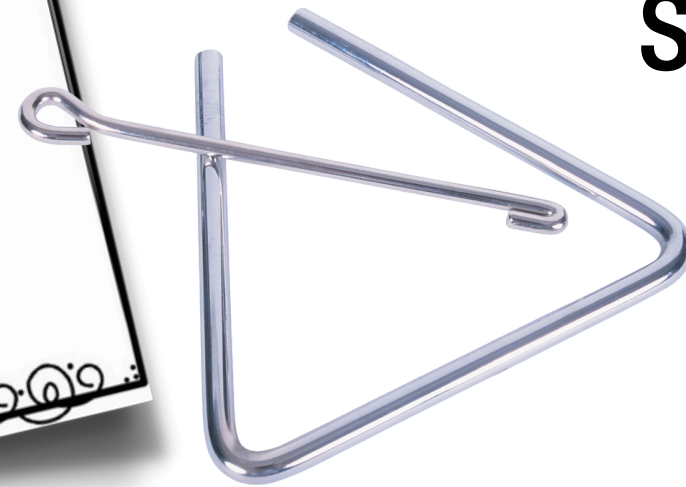

Save time with centers, by
having ready-to-go
printables and directions to
use with students

Save time!

Students play the rhythm on
triangle, as singing "Apple Tree"

Students gain independence and
skill with musical concepts, as
they practice individually or in
small groups at centers

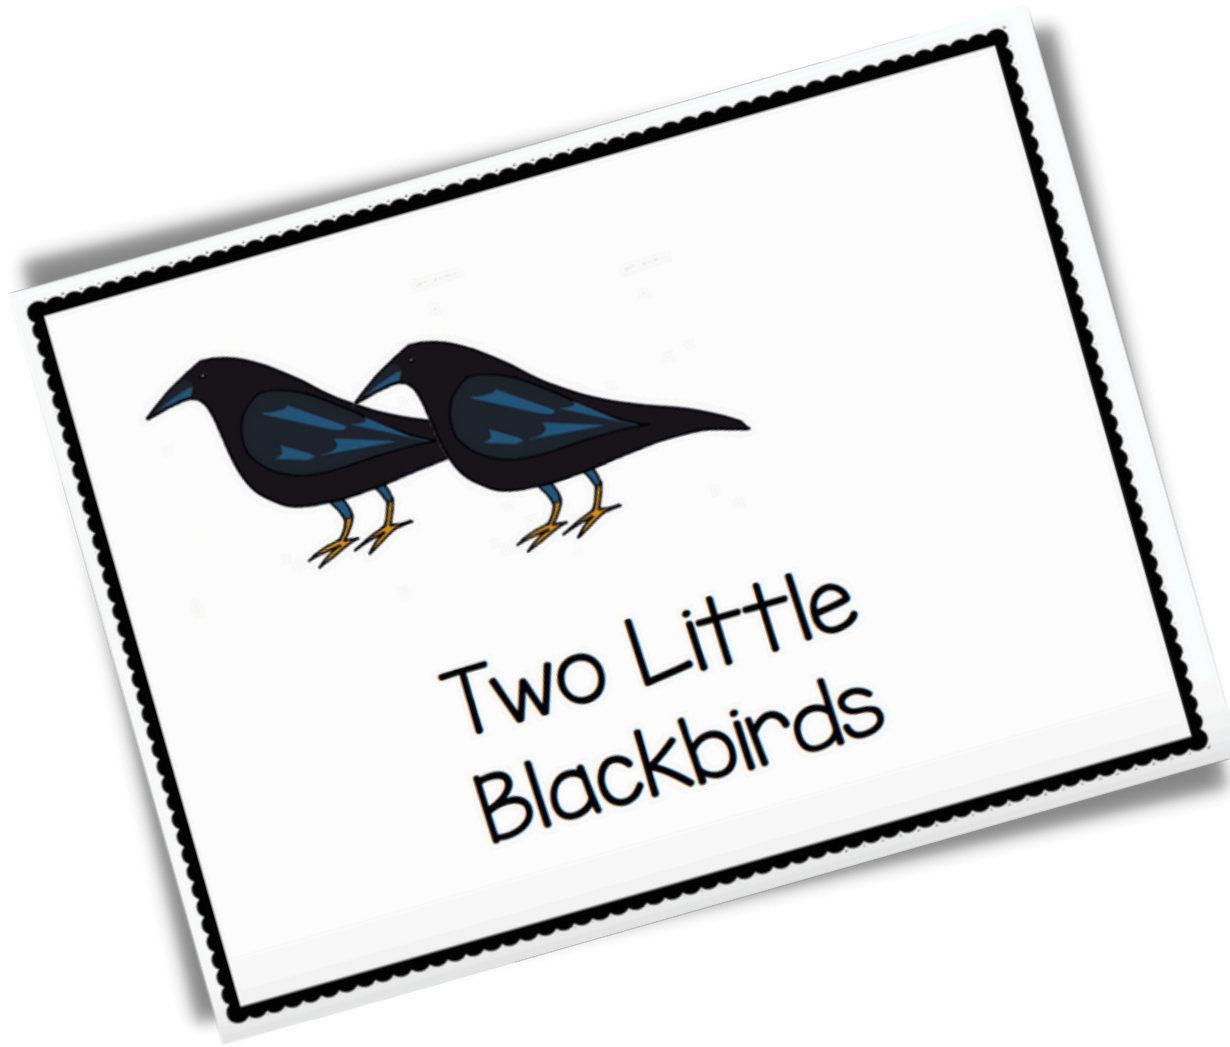

Practice musical concepts

At one of the centers, the teacher can assess students individually, to gather data and inform instruction

Easily assess students

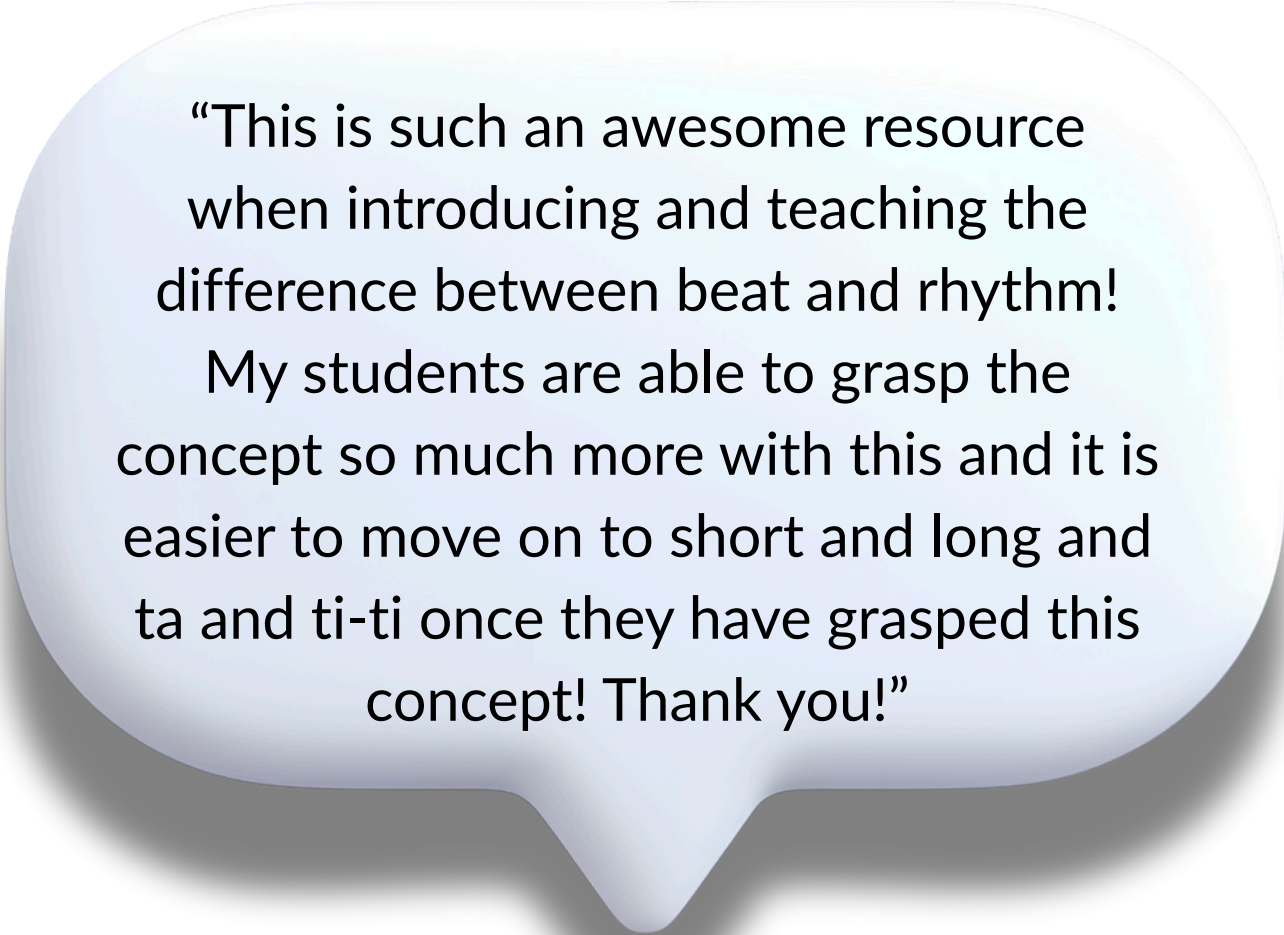

- Print out materials for each center
- Put centers and other materials (like scissors and glue sticks) around room
- Explain how to use the centers
- Have students rotate to each center

How to use

A white speech bubble with a soft shadow, containing a testimonial about the effectiveness of the centers for keeping children engaged.

“These centers are awesome and help keep little minds actively engaged! My kiddos love using these!”

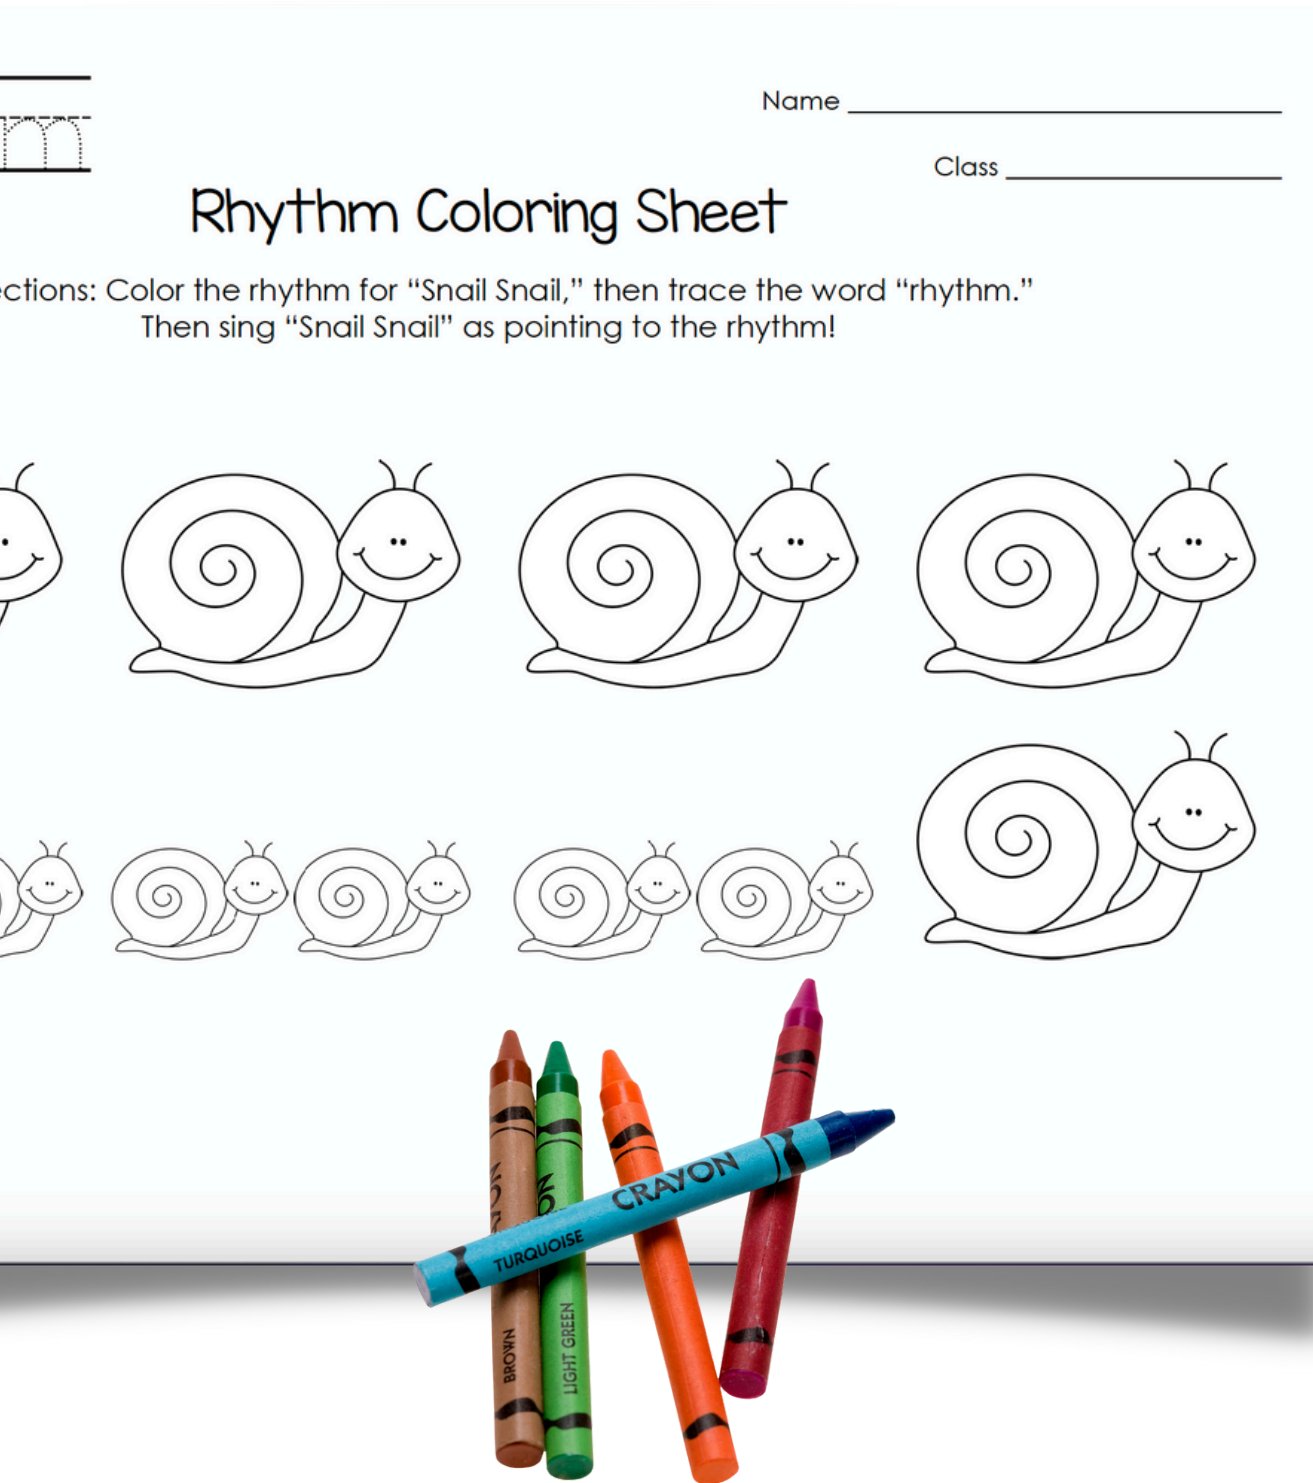

A white speech bubble with a soft shadow, containing a testimonial about how the resource helps teach the difference between beat and rhythm.

“This is such an awesome resource when introducing and teaching the difference between beat and rhythm! My students are able to grasp the concept so much more with this and it is easier to move on to short and long and ta and ti-ti once they have grasped this concept! Thank you!”

A white speech bubble with a soft shadow, containing a testimonial about students loving the centers and planning to use them again next year.

“My students loved doing these centers! Definitely will do again next year! Thank you!”

**What other teachers are
saying...**

This bundle is aligned with the
NCAS standards:

- ✓ With guidance, explore and experience music concepts (such as beat and melodic contour).
- ✓ With guidance, explore and demonstrate awareness of music contrasts (such as high/low, loud/soft, same/different) in a variety of music selected for performance.
